### DIAPERING REQUIREMENTS:

INT.

1. I will provide Krambrooke with disposable diapers for my child.
2. I will provide Krambrooke with disposable wipes to use when changing my child.
3. I will label all bags of diapers and containers for wipes.
4. I will provide adequate change of clothing in case of soiling.
5. I will provide any required diaper cream and fill out appropriate forms to allow staff to use.

### TOILET TRAINING:

INT.

Toilet training will be planned cooperatively between the child's primary caregiver and the parent so that the toilet routine established is consistent between the center and the child's home. The center shall empty and sanitize all training devices immediately after each use. Proper hand washing and diapering procedures will be observed during toilet training.

### INFANT FOOD POLICY AND REQUIREMENTS:

INT.

*Excerpted from Child Licensing Rules R400.8330, R400.83356 and R400.8340*

- ◇ All formula, juice and baby food is to be provided by parents.
- ◇ All formula must be prepared at home and brought to the center in sealed, labeled bottles.
- ◇ All bottles must be dated and labeled with the child's name and when prepared.
- ◇ Formula, milk, and perishable foods needing refrigeration shall be refrigerated. Formula shall not be stored longer than 48 hours after opening. Foods shall be covered and labeled as to the contents; date of opening, and the specific child for whom its use is intended
- ◇ Formula and milk, including breast milk, left in a bottle or beverage container after a feeding shall not be reused.
- ◇ Bottle liners and disposable nipples shall be for single use only, by an individual child, and discarded with any remaining formula or milk after use.
- ◇ Infants shall only be served formula to drink unless written authorization is provided by the child's licensed health care provider.
- ◇ Children at 12 months will be served whole homogenized Vitamin D-fortified cow's milk, **unless a milk-waiver form** is filled out by the child's parent or licensed health care provider. Children over the age of 2 are served low-fat or skim milk. When providing a bottle, caregivers shall hold infants except when infants resist being held and are able to hold their bottle
- ◇ A child shall not be fed directly from baby food containers if the contents are to be fed to the child at more than one sitting.
